

## PRODUCT DESCRIPTION

Imagined by Pat Kim, a celebrated New York-based industrial designer and artist, the Kim Coffee Table & Kim Side Table bring a more playful and sculptural approach to Stillmade's design process. The final pieces feature organically shaped bases finished in a hand-troweled lime-based plaster. Piercing through the bases are sculpted solid wood arms that hold up each circular table top.

DESIGNER Paul Mignogna

PRODUCTION By Stillmade in Brooklyn

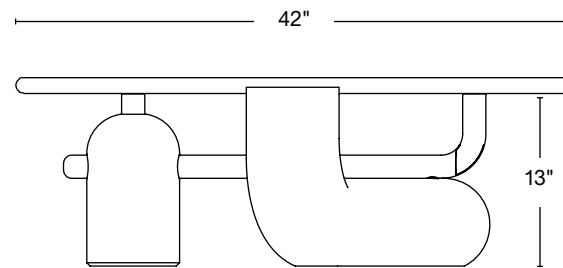

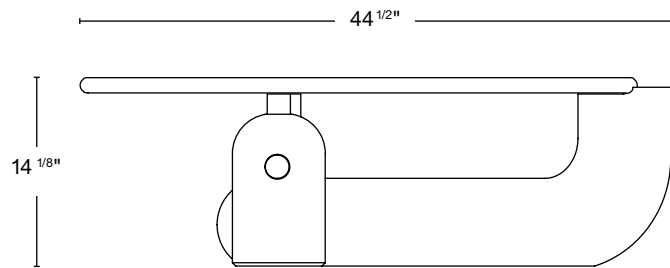

LEAD TIME 16-18 weeks  
Subject to change based on workflow

MATERIALS Solid domestic timber  
Bonded marble + lime plaster

WOOD FINISH Natural walnut  
Oxidized walnut  
Natural white oak  
Oxidized white oak  
Bleached ash

DIMENSION 44 1/2"W x 42"L x 14 1/8"H

DIMENSION	42"Ø x 14 1/8"H
TOP THICKNESS	2 1/2"
FLOOR TO BOTTOM OF TABLE	13"
